## Instructions

1. Cut cardstock 4 ¼ in. x 11 in.
2. Score at 4 ¼ in , 5 ½ in and at 9 ¾ in. You now have 4 sections A, B, C, & D.
3. Stamp section A and the BACK of section D with main image and background stamps  
This can be done at the same time by folding on the scores and fold section D over onto section A This will blend the two sections together.
4. Using a utility knife, cut openings in Section A coordinating with the stamps used
5. Fill baggie and close the top.
6. Use 2 sided tape to hold baggie to the top/back of the card
7. Fold on scores so sections D folds over the top of section A.
8. Attach with 2-sided tape.
9. The card should be free standing on section B
