

Wrap 1"x10" piece of smooth plastic around this section
(like a bread bag or unused plastic grocery sack)

Stamp back side.
This will be the inside of card.
This piece of card stock measures 5 1/2" x 8 1/2"

Score on dashed lines and fold inward.

Take two pieces of white card stock, 2 1/2" x 4" each
Attach them to the plastic strip so that the one on
the top is flush with the main card edge
and the one attached to the back is recessed
slightly from the notched edge as shown.

Fold and adhere narrow flap so that
white pieces move freely when pulled.

Stamp white pieces.
Pull on right white tab to open and see message.
