

Bag*a*Lopes

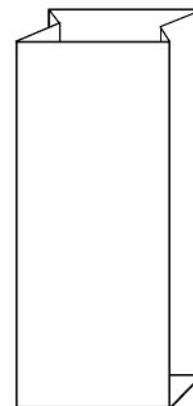

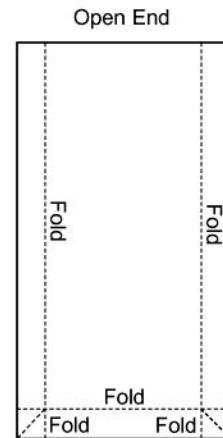

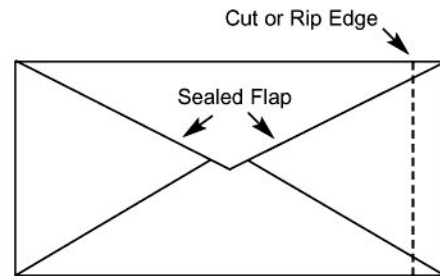

Materials

Any Size Envelope
Decorative Edged Shears
Tape
Rubber Stamps

Directions

1. Seal the envelope.
2. Cut or rip off the shorter edge.
3. Make a gusset on each of the 3 closed sides.
 - * Fold over each side 1/2" to 1"
 - * Fold both sides to crease well
 - * For a very polished and professional look use a stylus and ruler
4. While still flat stamp the envelope.
5. Now put your hand into the envelope and turn it into a tote bag by making the sides stand out as gussets and the bottom into a bag.
6. Fold the bottom triangle edges over and tape down with regular tape or double stick tape.
7. Add any embellishments such as ribbons, buttons, glitter.

Makes a darling tote for gifts and goodies!
